ABOUT US

We're a Community and here for our Community

The North Harbour Club is all about EXCELLENCE! Established in 1995 as a charitable trust to recognise, reward and develop extraordinary, talented young people of the North Harbour region.

Originally an enthusiastic group of North Shore determined and community-minded people met and established a constitution with these objectives:-

- To establish a charitable trust, known as The North Harbour Club Charitable Trust, to promote and develop local talent in the fields through our AIMEs Youth Excellence Awards programme.
- To support cultural, sporting and recreational activities in the region (bounded by East Massey, Kumeu and Helensville in the west, Warkworth in the north and Devonport in the south east).
- To foster a spirit of pride in the region.
- To foster a 'good neighbour' and 'good citizen' ethos in the region.
- To establish and maintain a club of non-political character for Members to meet through regular events and social activities.

The North Harbour Club is a unique organisation and membership is highly sought, evidenced by our increasing number of Individual, Corporate, and Partner Plus memberships. The list of members is a very impressive display of passionate business and community members. The Next Gen membership (under 40's) was introduced in 2019, to encourage and nurture a younger group of members. The Club has something to offer everyone and thanks to our members, the North Harbour Club's future is bright.
